Mr. Norman C. Conway  
Service Manager, Group Division  
Mutual of Omaha  
Box 1298  
Omaha, Nebraska

Dear Mr. Conway:

Enclosed is a copy of the sample contract for use in connection with the newly implemented "GEHA Special Plan."

Per our discussion this contract was made effective November 13, 1964. You will notice that paragraph 5 and paragraph 8 of both the basic contract and the AD&D, indicate deletions we request.

It will be appreciated if an official contract is forwarded to this office for signatures on our part as soon as possible since we already have signed up one member, and will have probably as many as 40 by January 1, 1965.

Very truly yours,

STAT
